Sir:

DECLARATION

I, Karl F. Milde, Jr., hereby declare and say:

1. I am the attorney of record for the above-identified patent application.

2. On November 20, 2001, I personally took an Express Mail package, containing all the papers listed in an attached return address postcard to the main Post Office of White Plains, New York. This package bore the Express Mail Label No. ET 603 359 933 US. This number, which was applied to a copy of the return address postcard, is attached hereto as Exhibit 1. The application transmittal letter bore a Certificate of Mailing via Express Mail, a copy of which is attached hereto as Exhibit 2.

3. When I attempted to mail this Express Mail package, I was informed that the Postal Service would not accept Express Mail addressed to the postal zip Code 20231. I therefore asked the postal clerk to stamp the date on the Express Mail envelope itself, a copy of which is attached hereto as Exhibit 3.

4. Thereafter, I immediately repackaged the application in a Priority Mail envelope and addressed this envelop to the U.S. Patent and Trademark Office at postal zip code 20231.

5. When I returned to my office on the same day, I prepared a Memorandum about this situation. A copy of this Memo is attached hereto as Exhibit 4.

6. The return address postcard, referred to above, was eventually received from the U.S. Patent and Trademark Office listing a filing date of December 7, 2001. A copy of this postcard is attached as Exhibit 5.

7. I further declare that all statements made herein of my own knowledge are true and that all statements made on

information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any resulting registration.

OFFICE OF PETITIONS

I personally delivered the Express Mail package containing this application to the U.S. Patent Office today, November 20, 2001. The package was refused by the post office clerk.

I was informed that the White Plains Post Office had received a Memo from headquarters in Washington, DC informing them that no Express Mail could be sent to certain zip codes. The zip code 20231 was among them.

I therefore mailed the document "Priority Mail" and obtained a proof of mailing from the Post Office. I also obtained the date stamp on the Express Mail envelope and the Express Mail label. These are attached.
